

TOWN OF CLARENDON.

SCHOOL DIRECTORS' REPORT.

The Board of School Directors met at the Town Hall on the 9th day of March, 1907, and organized by electing E. E. Congdon Chairman, and J. H. Davis Clerk, for the ensuing year.

Mrs. Beatrice J. Walker was appointed Superintendent of Schools, J. W. Plumley and M. H. Ridlon, Truant Officers.

Decided to have a Spring term of 11, a Fall term of 11 and a winter term of 10 weeks of school.

We would again call the voters' attention to the school houses in the Spafford and North Clarendon Districts, both are old and in poor condition and a large amount of money must be used for repairs if we are to continue to use them for school purposes.

We would advise building new. The tendency of the times is in concentration of schools and if the pupils in the north-east part of the town could all attend at one school building, the higher and lower grades being taught in separate rooms, would largely decrease the number of classes, thus giving the teacher much more time for each class, consequently a more thorough understanding and rapid advance by the pupil.

The following orders have been drawn to pay balance of expenses for the school year ending March 31, 1907.

1907	No.		
Feb. 14	62	Jessie Bush, janitor \$3.00, wood 25c	\$ 3 25
	63	May E. Huntoon, teaching	80 00

School Superintendent's Report.

To the Citizens of Clarendon:—

I herewith submit my report as Superintendent of Schools for 1907. During the year I have visited the schools twice each term.

In general have found all of the schools in a very good condition. Unfortunately it has been necessary to make several changes in teachers during the year, and in all cases not for the good of the school in question.

Still firmly advocate the choice of Normal Graduates as teachers. Skill in the art of teaching is acquired mainly in the training school.

Am glad to see the little attention paid to agriculture as suggested by our State Superintendent. Days and weeks of instruction are given to the Greatest Common Divisor and to four-story complex fraction monstrosities; but never a word about the soil; the growth of crops, which make the farm life possible.

The possibilities of comfort, freedom, and health; of competence and happiness; of the dignity and beauty of labor as connected with farm life—should be exploited in the country schools.

Consolidation or centralization of schools surely is the ideal plan. Conditions may be vastly improved by discontinuing a school district and uniting it to an adjoining one.

We would surely find a larger percentage of pupils enrolled and many instances of tardiness prevented. By this plan there will be fewer and better teachers in our schools. Better salaries will be paid, thus making it possible to acquire a high school and normal training before attempting to teach.

Hope to see some of our small schools centralized in the near future.

It seems that something of this kind is sadly needed, as several of the school buildings are hardly fit for habitation.

Thirty pupils or more are crowded into a room fit only for half the number, and parents expect a teacher to rise above all these conditions and teach a model school.

It surely cannot be a very encouraging prospect for the new teacher to enter some of our buildings. Floors uneven and rough, paper and walls blackened by smoke, and a general aspect of dilapidation.

There are parents in town who would not allow a child of theirs to attend such a school were they aware of existing circumstances.

Hope the voters of the town will soon see the need of suitable buildings and surroundings for their children.

Something besides a few new desks and other school furniture is needed.

Few cases of truancy have been reported. The per cent of attendance during the year has been low, owing in part to sickness. Think if this town were to follow the example of Springfield, Vt., the per cent of attendance would be higher in several of the schools.

The following data comprehend the results of the Examination of the Eyes and Ears of the pupils examined in this town:

No. of pupils examined	99
" " " found defective	49
" " boys examined	59
" " " found defective	26
" " girls examined	40
" " " found defective	24

The Teachers' Meetings have been one of our pleasant and instructive features of the year, as well as the Graduation Exercises.

Four pupils took the Examination for free tuition, three passing and entering higher schools.

Four of our pupils entered the Normal School the past year and are doing creditable work, as well as those who entered other schools.

I wish to thank the directors, teachers, and citizens for their kindly interest and very efficient help during the year.

Respectfully submitted,

BEATRICE J. WALKER.

TOWN AGENT'S REPORT.

To the Selectmen, Town of Clarendon, Vt.,

Gentlemen:—

I beg to report that the only litigation pending is that of Town of Wallingford vs. Town of Clarendon, a claim for tuition. The case has been heard on its merits in County Court and argued on exceptions in the Supreme Court and an opinion may be expected at once.

Respectfully,

D. N. HAYNES, Town Agent.

Clarendon, Vt., Feb. 15th 1908.

NOTICE.

The inhabitants of the TOWN of CLARENDON who are legal voters in town meetings are hereby notified and warned to meet at the TOWN HALL in said town on the first TUESDAY in MARCH (March 3d) A. D. 1908, at TEN O'CLOCK A. M., to act on the following propositions, viz:—

1. To choose a Moderator to preside at said meeting.
2. To choose all necessary Town Officers.
3. To see if the town will instruct the Selectmen to include the several taxes in one tax bill, or if not, what ones.
4. To see if the Town will vote to raise a tax on the Grand List for all necessary purposes for the ensuing year.
5. To see if the Town will vote to license the sale of intoxicating liquors.
6. To see if the Town will vote to raise a sum of money, in addition to the amount now required by law, to take advantage of Sec. 8 of Act 111 of 1906, and if so, how much.
7. To see if the Town will vote to exempt from taxation the improvements and betterments of the Clarendon Clay and Mining Co. for the term of five years.
8. To see if the Town will vote to turn over to the East Clarendon Cemetery Association the East Clarendon Cemetery.
9. To see if the Town will take any action in regard to building a new school house at North Clarendon.
10. To transact any other necessary business.
